

Photo Timetable for 2022

Group photo will be taken first, then the student's individual photo will be taken afterwards.

Please check with your dancer that they have had their ordered individual photo taken before getting changed.

We will aim to run on time, please do not be late to your photo time spot otherwise you may miss out on being in your class photo.

To help the day run smoothly it is asked that you come with hair and makeup already done. Change into your costume before scheduled photo time.

If you have a lengthy wait in between class photos we do ask that you leave and return to make room for the other students.
